Submission Requirements

Diabetes Australia is committed to supporting high-quality research that drives real-world impact for people living with diabetes. We are pleased to assist researchers by promoting their studies through the Diabetes Australia Research Impact Hub and across our social media platforms, helping to increase visibility and engagement within the diabetes community.

Please take a moment to read our [Language Matters for Diabetes - Position Statement](#). Advertisements will be shared on the [Diabetes Australia Research Impact Hub](#) for 6 months. If your study requires promotion beyond that timeframe, please submit a new request.

If you have any questions regarding this process, you can contact the **Diabetes Australia Research Team** at research@diabetesaustralia.com.au
